

APMS
Storage Tank Services

Mission Statement & Values

MISSION

Our mission is to build a sustainable business that safeguards, complements, delivers and pursues through engaged employees.

VALUES

SAFEGUARD

We believe in **zero harm**, and will continually safeguard our employees, clients, visitors and the environment against any form of workplace incident.

COMPLEMENT

Our aim is to be your **strategic partner** – to complement and support your teams, to optimise your plant, enhance your project and facilitate positive outcomes.

DELIVER

We are dedicated to **delivering your project**, adding value wherever possible, but not at the expense of our people.

PURSUE

Constantly striving for excellence, we will pursue continuous improvement in all areas, but won't fix it if it isn't broken.

ENGAGE

Engaging our employees is key to our business and will enable us to maintain a viable, profitable business for the long haul.
